

Nunzio De Martino

Nunzio De Martino was born in Naples in 1967 where he obtained a diploma in photography in 1985. At the end of the 80s he moved to Milan where he began working as an assistant to some of the most famous fashion photographers: Helmut Newton, Albert Watson, William Garret, and then worked for about five years as assistant photographer of Gian Paolo Barbieri, with whom he also collaborates on the creation of two books: Thaiti Tattoo and Barbieri Fashion. He collaborates with international resonance companies including: Armani, Ermenegildo Zegna, Inghirami, Armata di Mare, Channels, Flyng Cross and magazines such as: Mondo Uomo, Rockstar, Superbe etc. Since 2005, De Martino leaves fashion photography and is dedicated to art.
